

## FASTPACK BLACK/BLUE LOW S1PL ESD FO SR

Art. No. 64.804.0

- Protection:** fiberglass toe cap and flexible FAP® midsole
- Upper:** durable microfibre with breathable Sandwich-Mesh
- Plus:** Heel & Arch Support, two-width system, extremely lightweight
- Lining:** BreathActive functional lining
- Footbed:** evercushion® RELIEF<sup>T</sup>
- Sole:** FLEXLITE - slip resistant DUO-PU and TPU outsole with midsole of continuously high performance EFFECT.FOAM® for excellent cushioning and energy return
- Sizes:** 36 - 50

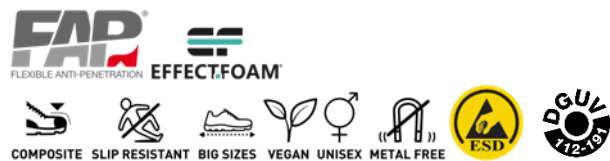

Also available:

TARAVAL GREY MID  
638020

TARAVAL BLACK/BLUE LOW  
648030

### FLEXLITE OUTSOLE

The noticeably light and ergonomic sole architecture with differently sized lugs and curved grooves ensures optimum liquid displacement and supports a natural rolling movement. Wear-resistant TPU inserts in the areas subject to the greatest strain and reinforced arch support ensure a secure grip, especially on industrial floors. The distinctive heel enables outstanding grip on ladders.

### EFFECT.FOAM®

Tireless comfortable!

- 60% energy return
- 47% less impact on bones and joints\*
- extremely powerful and light
- permanently high level of comfort for fatigue-free work

\* Dynamic energy absorption reduces the impacts to 1.6kN, the average for safety shoes is 3.0kN.

### HEEL & ARCH SUPPORT

The three-dimensional element formed directly from the EFFECT.FOAM midsole surrounds the heel and supports the midfoot. This ensures maximum hold, protects against ankle twists while also enabling a natural rolling movement of the foot.

### EVERCUSHION® RELIEF<sup>T</sup>

This ergonomically shaped, high-performance footbed is a combination of different soft polyurethane layers. It reliably protects the heel from shock, withstands even the most strenuous daily demands and guarantees long-lasting comfort and performance.
